ROSE McLACHLAN - PIANO

Age – 18

Where do you study? In my last year at Chetham's School of Music

What is your hometown? Hazel Grove

Favourite performer and why? Martha Argerich- her technical brilliance combined with her incredible ability to move listeners is so inspirational.

Favourite composer and why? It's very hard to pick! Currently, I've been obsessed with Schumann, listening constantly to 'Frauenliebe und Leben' performed by Barbara Bonney and Vladimir Ashkenazy.

Favourite piece of music to play? Ravel's piano concerto in G major. The influence of Jazz, the funky rhythms and sultry harmonies make this great work so exciting to perform.

Do you play any more musical instruments? I used to be a Chorister at Manchester Cathedral.

Who is your hero? I'm really in awe of Daniel Barenboim as he founded the West-Eastern Divan Orchestra.
