

Pendle
Young Musicians'
Bursary

PYMB WINNERS FACT FILE

BRIONI CROWE – FLUTE

Age – 17

Where do you study? I am currently studying my A 'levels at Kirkham Grammar School and I study music at the Royal Northern College of Music in Manchester.

What is your hometown? Blackpool

Favourite composer and why? My favourite composer is Tchaikovsky. All his music is so emotional especially his 5th symphony. I love the way he uses textures to contrast and portray his feelings through music.

Proudest moment of your life? This must be performing a solo at Buckingham Palace in May 2019. I was invited to play at a private function in the Ballroom. The whole day was incredible and was made incredibly special by meeting James Galway who was invited to attend the private concert.

Do you play any more musical instruments? I play the piano and the guitar

What do you like to do in your spare time? I really enjoy weightlifting and working out in the gym. Other things I enjoy include the Cadets and participating in the Duke of Edinburgh scheme. I like to travel and enjoy social occasions like musicals and concerts with family and friends. And thanks to lockdown, I have learnt that I really enjoy baking!

T.V. show you secretly enjoy? Jeremy Kyle and Love Island...

If you were a box of cereal, what would you be and why? Kraves! Because no one would be able to stop eating me! They are delicious!
